

“When was the last time you had your Oil Tank tested?”

“Be  Tank Sure”

Enjoy a greater peace of mind Today!

To our Valued Customers:

With the current high cost of oil it is now more important than ever to maintain your heating equipment, especially your oil fuel tank. We strongly recommend you take advantage of our TankSure® Program!

Call our office or return this card!

YES, I would like the TankSure® Program to occur at the time of my tune-up for \$34.95

YES, I would like the TankSure® Program only for \$89.95

TankSure® Program Benefits *(must be renewed annually to maintain warranty coverage)*

- ✓ Monitors, protects, and maintains your equipment
- ✓ Minimizes unexpected tank leaks
- ✓ Provides 1 year \$1,000 Warranty Coverage
- ✓ Extraordinary value

Proactive \$1000 Replacement Warranty

- ✓ Warranty covers up to \$1,000 towards the replacement of your tank
- ✓ Proactive replacement of tanks before they leak
- ✓ Helps protect the environment
- ✓ Reduces unexpected costs

Scientific Analysis & Monitoring

- ✓ Your tank's thickness measurements, physical characteristics and surrounding environment will be analyzed with our state-of-the-art Tank Profiling Software
- ✓ Tank information is analyzed for proactive replacement of individual tanks when they fall below the standard index

Ultrasonic Inspection

- ✓ Trained service technicians use ultrasonic equipment to test the thickness of your tank
- ✓ Ultrasonic equipment (similar to those used in the medical profession) detects the level of corrosion occurring inside your tank
- ✓ Annual inspections to be performed at the time of your tune-up

Corrosion Protection Agent

- ✓ Proactively fights deterioration of your tank
- ✓ Extends the lifespan of your tank (acts as a magnet or sponge for corrosive forces)
- ✓ Works similar to zinc protection used in water heaters and the marine industry

Before you schedule maintenance please remove all items from the area surrounding your oil burner and tank. The entire heating system including tank must be accessible for our technicians. Enrollment in the TankSure® Program is contingent upon the customer's tank passing an initial ultrasonic and visual inspection. While we cannot guarantee the prevention of a leak or other failure of your tank, we are providing this new service with the hope that by testing and monitoring, we can offer a long term proactive replacement program for our customers.
